It's okay. Sometimes I get in a hurry and don't make sense.

Oh. I get it. Sorry to be thick. I'll start writing them now.

Will be over. These are the amounts we can ask for. It's up to you how much you want to give to each committee. Obviously for a 700.00 check, I wouldn't expect you'd give them 300.00. Does that make sense?
